

**The T Shirts have arrived!!!!** Eileen Hall and Sharon O'Hara take a moment to relax amongst the T Shirts that will be distributed to the athletes and helpers at the Weekend Witness Maritzburg Marathon. Teams of helpers have been working tirelessly to build the finish area and sort race numbers and T shirts. Registration for the race, where runners can collect their race package, can be collected from the Carbineers Drill Hall between 5pm and 9pm on Friday, Saturday between 9am and 5pm or from 4am to 4.45am on Sunday before the start. On Saturday there will be a variety of caterers with diverse cuisine, the beer garden and DJs to keep adults happy and relaxed whilst the little ones enjoy KidZone. At 2pm the fun runs start with a 2.1km lap (4.2km for the more adventurous) over 7s followed by 420 metre and 210 metre runs and culminating in a 42 metre (for the look Mom, I can walk age) and a 21 metre Nappy Crawl.
